

Letters to Worldnet Grace Ministries

December 2020

The new YouTube video gave me a new understanding of the Universe

and a new understanding of the creative and sustaining power of Jesus.

Now I also understand the origin of all evil -- Lucifer, Satan.

Above all I realized that the only way out of the coming Götterdämmerung
is to embrace Jesus as Savior.

LUCIFER LOOSENED --> **Universe in Chaos**

Restoration of the Earth in Six Days

Powerpoint Slide Show: Beauty and Catastrophe in the Universe

Closing music: Gustav Holst, The Planets - Jupiter

The YouTube video “Lucifer Loosened -- Universe in Chaos” is phenomenal.

This study explains literally everything about the origin of the universe,
the catastrophes we see through our telescopes,
and even the end of the universe.

Also the teacher explains the different ages, the cavemen, the fossil record,
the origin of languages, the distribution of ethnic groups.

This is the only study that explains everything very clearly and logically.
I am recommending this study, and the other cosmological lessons, to my colleagues.

The religious aspect is presented in a pleasant manner.

London, England

J'ai beaucoup appris de vos apparitions sur Europe 1 et de vos podcasts.

J'ai commencé comme athée

et maintenant j'ai confiance en Jésus qui est mon sauveur.

The podcast "The Pernicious Poison of Religion" delivered me
from the realm of man made religion
and brought me to a personal relationship with Jesus my Savior.
I see why **RELIGIOUS FRAUDS** are upset.

J'ai été très heureux qu'Europe 1 continue à vous recevoir.

Ils ont beaucoup d'idiots qui débitent des conneries

alors que vous énoncez calmement et clairement ce qui est évident

(c'est-à-dire, ce qui est évident une fois que vous l'avez expliqué).

Vous êtes le seul professeur de religion que j'apprécie.

Je commence à explorer vos podcasts Youtube.

Ils sont exceptionnels.
