*Difficult Passages of the Bible*

*#22 posted December 31, 2016*

What was Jesus' Name?

*What is the Quintessential Power of the Universe?*

The “Name of Jesus” lesson stunned me.

As of this morning my life will never again be the same.

Moscow, Russia

The “Name of Jesus” is very stirring.

It has generated excellent interest.

We have more groups.

Iceland

The Bible origin series overwhelmed me.

I am a philologist and work with ancient Greek manuscripts.

I had always dismissed the Bible as a credible work of literature.

These lessons convinced me not only of the credibility of the Bible as a valid work of antiquity but as supernatural.

I am anxious to continue exploring more of these studies.

Copenhagen, Denmark

The Christmas Jesus lesson -- flabbergasting me

{Difficult Passage of the Bible #22}

Beijing, China

The Ezekiel lesson forcefully removed my spirits never to return.

{Ezekiel – the Pantomime Prophet}

9. God performs His strange  
work by sending  
**DECEIVING SPIRITS** to possess **INTENTIONAL LIARS**  
in Political & Religious Realms

They despised me when I learned of the true wheels of heaven and

Jesus who is now my savior.

Addis Ababa, Ethiopia

Jesus is superbly

Beijing, China

These studies have been a faithful proclaimer of grace for 20 years.

Others will lapse back into works and legalism but never this one.

I was saved through this ministry and continue to be thankful for the teaching  
Syracuse, New York

*Thank you for writing.*

*You seem to be one of our founding readers / listeners!*

*You may be interested to know that currently we have more members in the

outside of Texas.*

*Kudos to you and our other sisters and brothers in New York — including NYC!*

*May the Lord continue to bless you as you proclaim the Good News of Jesus  
Christ!*

*Kindest regards,*

*Connie Tatum*

The Christmas messages changed my entire life long religion

into trust in Jesus as my saviour

Santiago, Chile

The Christmas messages stirred me, thrilled me.

Now I finally understand about the holiday.

Jesus was born to be my savior!

Vienna, Austria

Excellent Christmas messages from my French professor!

I have used these with great benefit.

I am aware of 4 who trusted in Jesus as savior as a direct result.

Rio de Janeiro, Brazil

The “Bible origin” series of studies stunned me.

I listened with profound attention to each.

I then listened anew as I followed with the documentation  
(excellent PowerPoint).

As the teacher calmly, methodically and pleasantly explained the processes  
and procedures, then explained the apparatus -

Despite myself I was realizing this is a supernatural book.

Subsequently I listened to every one of the “Life of Jesus”

and trusted in Him as my savior.

As did 6 of my family.

Kiev, Ukraine

***January 2017 letters continue on the next page ....***

“The messages concerning Christmas -- wonderful.

Totally wonderful.

Finally, I understand that this Jesus -- He is the only way to obtain eternal life.

It is about putting my trust in Him.

He died for my sins!”

Hanoi, North Vietnam

The power of the Gospel to defeat Satan is

one of the great blessings of past few decades.

The lessons have encouraged so many people of influence

to proclaim the Gospel

{Difficult Passages of the Bible # 17 – 19}

The influence here is indisputable

Demonic powers are being broken!

Berlin, Germany

I astonish Jesus!

Beijing, China

Very intellectually stimulating Bible origin and transmission studies.

Credibility for the Bible.

Remarkable book

Hong Kong

Marvelous lessons!

I have never been interested in religious teachings.

The lessons on the *Gates of Hades* have intrigued me.

How ironic I was invited to a Bible study to which I declined.

Until I was told they would be listening to these “Gates of Hades” messages.

Paris, France

**The Gospel produces WAR & PEACE**

The newest lesson arrived in a most timely manner

as our ladies group prepared to assemble.

Also very timely as we added several new members.

All were astonished at the “war and peace”.

I am confident 3 more have trusted in Jesus.

Iceland

The “War and Peace” message is so powerful.

it is destined to have the same impact here as did the “Gates of Hades” lessons.

{Difficult Passages of the Bible # 17 – 19}

Very powerful and influential in the political arena here.

Indeed. The power of the gospel.

And the gospel is clearly and forcefully presented.

Berlin, Germany

Thank you for the blessed messages on the Gates of Hades.

This series has created such impact for good --

although many hate them!

**THE DARK SIDE.**

Frankfurt, Germany

Every one of the Christmas lessons was fascinating and eye opening.

These are the best descriptions of Jesus I have ever heard or imagined.

A strong case is presented that he was the Messiah.

Disturbing and yet comforting in a peculiar way.

I am passing the word along.

Jerusalem, Israel

I was searching for information on the Tolstoi novel **War and Peace**.

I was led to this! {Difficult Passages of the Bible #19}

I listened expecting to find information about Russian literature.

Instead I found my savior.

Zagreb, Croatia

Marvelous -- the Christmas lessons.

For the 1st time I understand in what sense Jesus is my savior.

Petaling Jaya, Malaysia

## **February 2017**

The lessons provide the only convincing explanation for the chaos here.

Demons and the power of the Gospel.

{Difficult Passages of the Bible #s 17 – 19; Ezekiel #9}

This is the first ministry to effectively bring light into this **DARKNESS**.

Paris, France

The Bible origin and transmission series has drawn scholars and laypersons into a new appreciation and respect for the Bible.

I am aware of 2 presentations with the PowerPoints projected.

I hope I am not being presumptuous but I would ask if you would consider a presentation in two parts and confine to the New Testament.

Many do not have the opportunity to attend 12 sessions but they would be able to attend 2. Just to consider.

Thank you for this marvelous work.

Full of the Gospel.

Bonn, Germany

Marvelously intriguing presentations of the Bible origin and transmission.

They have been highly recommended as I travel throughout Europe.

I listened with great reluctance as I am not religious.

I was amazed.

Because I was so impressed I am now listening to the Bible Difficulties.

I am impressed by the straightforward nature of the presentation.

Not dodging issues.

I am beginning to understand something about the nature of the gospel.

Paris, France

I am totalitarian Jesus

Beijing, China

It requires courage to begin a Bible study with addressing the difficulties  
and a unique introduction to the Bible for me.

{Difficult Passages of the Bible}

Also what an introduction to this person Jesus.

Ulan Bator, Mongolia

These messages clearly explain the chaos in our government and political system.

{Difficult Passages of the Bible # 17 – 19}

(Ezekiel, the Pantomime Prophet #9)

I am amazed.

I thought the Bible was a book about how to be a good person.

Now I am beginning to listen to the life of Jesus.

{Life of Jesus – Learning to Listen}

I am anxious to know about Him.

Helsinki, Finland

The messages of Ezekiel tormented the bad spirits.

{Ezekiel, the Pantomime Prophet # 2 – 5, 9}

They are departed and without power or authority because

I am now under the power and authority of Jesus,

my savior and protector.

Addis Abbaba, Ethiopia

“The gospel produces War and Peace” changed my life.

{Difficult Passages of the Bible #19}

This was the only cogent explanation I have ever heard  
for war and for peace in this world.

My life was changed when I learned what the gospel is.

I have a savior Jesus.

My sins are erased.

I love the music. {The London Philharmonic Orchestra recording of  
Piotr Ilich Tchaikovsky’s "1812 Overture, Finale"}

We in Russia appreciate all.

Moscow, Russia

Gospel war and peace. {Difficult Passages of the Bible #19}

Absolutely brilliant insight into the world.

Thank you for the news of Jesus

Moscow, Russia

Insight into the Bible such as I have never seen.

Why have I never heard any of this before?

Toronto, Ontario, Canada

I listen to the entire Bible origin and transmission series with great poignancy.

I had the immense privilege of working as a clerk during some of the Committee sessions.

I heard Professor Tatum's name mentioned frequently.

His opinions and insight were highly respected.

It was obvious that he had a close friendship with Professor Metzger  
and Cardinal Martini.

I am so happy that their legacy has been renewed.

I am also delighted at the Gospel message in every message

Athens, Greece

Jesus all the time I am better

## **Difficult Passages of the Bible # 20**

The Perspicuity of Scripture & Misunderstandings, Category #9

***We* DO NOT *listen to understand,***

**RATHER *we listen* TO RESPOND**

**CORRUPTION OF THE GOSPEL THROUGH FALSE TEACHING**

The expose of John MacArthur was extremely enlightening and very appreciated.

I have felt that there was something wrong with his teaching

but I was not able to discern specifically what the issues were.

I greatly appreciate that you were not attacking him.

You were clarifying the gospel.

London, England

I am stunned.

Almost everything you exposed as being patently false are things I have always believed.

For the first time as a Believer I get it.

Copenhagen, Denmark

The message on the corruption of the Gospel was shocking.

I had heard all of the additions to the Gospel that were described  
and I had incorporated them into my understanding of the Gospel  
and also into my relationship with Jesus.

This message is totally liberating.

I am certain this will stir up a lot of anger!!

Hollywood, California

Finally someone has the courage to step up and expose the heresies of John MacArthur.

I applaud you.

Los Angeles, California

You have a lot of influence.

**YOU SHOULD NOT BE USING IT TO CONDEMN PEOPLE**

Pasadena, California

John M was not condemned.

**HE CONDEMNED HIMSELF.**

Thank you.

Anaheim, California

It is obvious that the teacher was aware of the delicate balance between  
condemning a person as opposed to  
exposing heresies of the teaching.

The presentation was calm and systematic  
as the statements of J. MacArthur were compared  
point by point with Scripture.

The effect was devastating to MacArthur's clearly false teaching.

Above all, the presentation was actually upbeat as  
the emphasis was on Jesus and **NOT OURSELVES**.

Of course that is the emphasis in every one of these lessons.

Without fail.

Chicago, Illinois

Amazing -- the crawfishing from the podium yesterday.

Van Nuys, California

For the first time I heard "Grace" to You ! ! ! !

Los Angeles, California

Excellent presentation of the issue of corruption of the Gospel.

It seemed that the principal "corrupter" was repositioning !

N. Hollywood, California

I have been going to church since I was a child.

All of my life I have heard that

**I HAVE TO FOLLOW JESUS, OBEY HIM, SURRENDER TO HIM.**

I was stunned as I listened to the message on Corruption of the Gospel.

I was shocked because **ALL OF THESE CORRUPTIONS** are what I was taught.

As this wonderful lesson unfolded I heard for the first time the true gospel

and I realized that all of my efforts were impossible.

**I realized I WAS DESTINED FOR HELL.**

How incredible the good news really is.

I have trusted in Jesus as my savior.

I have eternal life but I do not have worries.

Kansas City, Missouri

I miss all of you.

I am not an Admiral from California, but just a student of the redneck poet.

I should be sitting in class with you all, by Dale, and next to Johnny,

but our Father has other plans for me and I listened to his guidance.

I miss you and my prayers are always with each one of you, at all times.

Weatherford, Texas
