What was Jesus' Name?  
*What is the Quintessential Power of the Universe?*

**January 2017**

The “Name of Jesus” lesson stunned me.

As of this morning my life will never again be the same.

Moscow, Russia

The “Name of Jesus” is very stirring.

It has generated excellent interest.

We have more groups.

Iceland

The Bible origin series overwhelmed me.

I am a philologist and work with ancient Greek manuscripts.

I had always dismissed the Bible as a credible work of literature.

These lessons convinced me not only of the credibility of the Bible as  
a valid work of antiquity but as supernatural.

I am anxious to continue exploring more of these studies.

The Christmas Jesus lesson -- flabbergasting me

{Difficult Passage of the Bible #22}

Beijing, China

The power of the Gospel to defeat Satan is

one of the great blessings of past few decades.

The lessons have encouraged so many people of influence

to proclaim the Gospel

{Difficult Passages of the Bible # 17 – 19}

The influence here is indisputable

Demonic powers are being broken!

Berlin, Germany

Marvelous lessons!

I have never been interested in religious teachings.

The lessons on the *Gates of Hades* have intrigued me.

How ironic I was invited to a Bible study to which I declined.

Until I was told they would be listening to these “Gates of Hades” messages.

**The Gospel produces WAR & PEACE**

The newest lesson arrived in a most timely manner

as our ladies group prepared to assemble.

Also very timely as we added several new members.

All were astonished at the “war and peace”.

I am confident 3 more have trusted in Jesus.

Iceland

The “War and Peace” message is so powerful.

it is destined to have the same impact here as did the “Gates of Hades” lessons.

{Difficult Passages of the Bible # 17 – 19}

Very powerful and influential in the political arena here.

Indeed. The power of the gospel.

And the gospel is clearly and forcefully presented.

Berlin, Germany

Thank you for the blessed messages on the Gates of Hades.

This series has created such impact for good --

although many hate them!

Frankfurt, Germany

I was searching for information on the Tolstoi novel **War and Peace**.

I was led to this! {Difficult Passages of the Bible #19}

I listened expecting to find information about Russian literature.

Instead I found my savior.

The lessons provide the only convincing explanation for the chaos here.

Demons and the power of the Gospel.

{Difficult Passages of the Bible #s 17 – 19; Ezekiel #9}

This is the first ministry to effectively bring light into this **DARKNESS**.

Paris, France

It requires courage to begin a Bible study with addressing the difficulties  
and a unique introduction to the Bible for me.

{Difficult Passages of the Bible}

Also what an introduction to this person Jesus.

Ulan Bator, Mongolia

These messages clearly explain the chaos in our government and political system.

{Difficult Passages of the Bible # 17 – 19}

(Ezekiel, the Pantomime Prophet #9)

I am amazed.

I thought the Bible was a book about how to be a good person.

Now I am beginning to listen to the life of Jesus.

{Life of Jesus – Learning to Listen}

I am anxious to know about Him.

Helsinki, Finland

“The gospel produces War and Peace” changed my life.

{Difficult Passages of the Bible #19}

This was the only cogent explanation I have ever heard  
for war and for peace in this world.

My life was changed when I learned what the gospel is.

I have a savior Jesus.

My sins are erased.

I love the music. {The London Philharmonic Orchestra recording of

***We* DO NOT *listen to understand,***

**RATHER *we listen* TO RESPOND**

**CORRUPTION OF THE GOSPEL THROUGH FALSE TEACHING**

The expose of John MacArthur was extremely enlightening and very appreciated.

I have felt that there was something wrong with his teaching

but I was not able to discern specifically what the issues were.

I greatly appreciate that you were not attacking him.

You were clarifying the gospel.

London, England

I am stunned.

Almost everything you exposed as being patently false are things I have always believed.

For the first time as a Believer I get it.

Copenhagen, Denmark

The message on the corruption of the Gospel was shocking.

I had heard all of the additions to the Gospel that were described  
and I had incorporated them into my understanding of the Gospel  
and also into my relationship with Jesus.

This message is totally liberating.

I am certain this will stir up a lot of anger!!

Hollywood, California

Finally someone has the courage to step up and expose the heresies of John MacArthur.

I applaud you.

Los Angeles, California

You have a lot of influence.

**YOU SHOULD NOT BE USING IT TO CONDEMN PEOPLE**

Pasadena, California

John M was not condemned.

**HE CONDEMNED HIMSELF.**

Thank you.

Anaheim, California

It is obvious that the teacher was aware of the delicate balance between  
condemning a person as opposed to  
exposing heresies of the teaching.

The presentation was calm and systematic  
as the statements of J. MacArthur were compared  
point by point with Scripture.

The effect was devastating to MacArthur's clearly false teaching.

Above all, the presentation was actually upbeat as  
the emphasis was on Jesus and **NOT OURSELVES**.

Of course that is the emphasis in every one of these lessons.

Without fail.

Chicago, Illinois

Amazing -- the crawfishing from the podium yesterday.

Van Nuys, California

For the first time I heard "Grace" to You ! ! ! !

Los Angeles, California

Excellent presentation of the issue of corruption of the Gospel.

It seemed that the principal "corrupter" was repositioning !

N. Hollywood, California

I have been going to church since I was a child.

All of my life I have heard that

**I HAVE TO FOLLOW JESUS, OBEY HIM, SURRENDER TO HIM.**

I was stunned as I listened to the message on Corruption of the Gospel.

I was shocked because **ALL OF THESE CORRUPTIONS** are what I was taught.

As this wonderful lesson unfolded I heard for the first time the true gospel

and I realized that all of my efforts were impossible.

I realized **I WAS DESTINED FOR HELL.**

How incredible the good news really is.

I have trusted in Jesus as my savior.

I have eternal life but I do not have worries.

Kansas City, Missouri

The power of the Gospel messages

along with the Ezekiel message of deceiving spirits

are majestically enlightening.

They have provided much needed ammunition for fueling governmental change.

The power of this lesson lies in the clear Gospel presentation.

Berlin, Germany

The power of the Gospel shook my world,

then re-ordered the pieces thru trusting in Jesus.

Munich, Germany

The message on the Biblical parameters for immigration is a most welcome message.

I am already seeing the impact on some Christian media.

I also listened to "The Gates of Hades cannot withstand The Gospel".

Very powerful.

I then read "Proclaiming the Gospel of Jesus Christ: What the Gospel is -- and is Not"

Thank you Connie Tatum for the excellent clarification.

Long Island, New York

I have studied the lessons intently.

They brought me to Jesus my saviour.

I was just wondering about a comment Johnny made during

the bematos of Christ message (bema1).

It was stated the word "rapture" doesn't appear in scripture

but the word "raptured" does.

It was said that the word "caught up" in 1 Thess 4:17 was the Greek word raptazo.

I'm probably not spelling that right,

but I was just wondering where I could study the Greek more in depth.

I see Harpazo, and Harpagēsometha.

So I was just wondering where Johnny got it from.

If anyone could help it would be greatly appreciated.

Las Vegas, NV

Comment made by Johnny:

The specific word in the text is "ἄρπαγησόμεθα"

(It can be transliterated as "arpagnsometha").

This word is the second future passive indicative of the infinitive ἄρπαζω,

(transliterated as "hraptzado")

The English word "rapture" is derived from the Latin verb (infinitive) "rapio",

which was used in the Latin Vulgate to translate "harpazō" in 1 Thessalonians 4:17.

(FREQUENTLY COMPOUNDED BY BAD MANUSCRIPTS)**

## “Bematos” -- The Blessing Place of Christ

The new study of the "Bematos" has changed my entire outlook on life.

I felt that I could never really draw close to Jesus

because I sensed (as I had been taught)

that **A DAY OF JUDGMENT WOULD COME UPON ME.**

I feel free and full of love.

Now I finally am keen on telling my lost friends about Jesus!

Yarmouth, England

The Bema lesson is outstanding.

I feel that my relationship with Jesus will never be the same!

I am sending it to the Christian broadcasters I know.

Now I am expecting to see **HOSTILE REACTIONS.**

How sad.

San Clemente, California

This thought of no judgment ever is shocking,  
yet I continue to study the issue with you.

Very enjoyable presentation.

Jafn Dabb, Saudi Arabia

Thank you so much for these enlightening studies.

I listened to many history lessons then finally

the Bematos message which struck my heart.

I trusted in Jesus as my savior.

#5. Difficult Passages in the Bible

Category #2 – **MISTRANSLATIONS**

Wood, Hay, Straw or **Gold, Silver, & Precious Stones**

The 2 bematos lessons are powerful beyond my ability to describe

"Wood, Hay, Straw or Gold, Silver, Precious Stones"

**THE ENTIRE SCENARIO OF OUR LIVES BEING JUDGED,**

**OUR WORKS BEING BURNED TO SEE IF WE GET REWARDS**

**OR LOSE REWARDS (WHATEVER THAT MEANS)**

The event has been proven Biblically, without question, to be

**A TOTAL FABRICATION.**

If we don't get this right, nothing will be right in our lives as believers.

Syracuse, New York

This is beautiful truthing.

Jesus never will be yelling at Ming Ming!

Ming Ming  
China

The concept of never being judged by God is enthralling.

We do not have this concept in our Scriptures.

An excellent presentation was made based on the Christian Bible.

These lessons are presented in a very interesting manner  
and therefore I will continue to pursue them.

Thank you very much.

Bethlehem, Israel

Thank you friends for the fascinating and enlightening studies from the Christian writings.

The lessons concerning the lack of judgment for believers contradicts  
everything I have ever been taught.

However this teaching is, without a doubt, expressed in your writings.

I sense real truth here and I am working through these lessons to seek reconciliation.

Jericho, Israel

I heard about this "Judgment Seat" (NOT!!!) lesson on local Christian radio.

They were attacking it.

So I went to the site and listened to the front page messages.

I was amazed at the irrefutable evidence presented that there is no judgement.

Now many major broadcasters are presenting the traditional view.

I am also amazed that not one of them addresses the facts presented.

For example, the blatant addition of "to be".

I love these messages.

Every Christian should listen.

Your life will be changed.

Miami, Florida

I had never heard of the bema or judgment seat per se,

but I shared the opinion of most that every person will face a day of judgment.

These lessons present a very different picture.

My understanding is that Jesus can serve as a substitute

for those who are associated with Him.

I am working through the issue.

Thank you for the messages which are actually enjoyable.

Beit Zait, Israel

Oh my dear I listened to the "Bematos":

The Blessing Place of Christ

and was amazed.

As I listen I learn of Jesus who abolished my sin and incredible –

becomes my friend and never judging me.

Seoul, Korea

I have enjoyed these studies for a few months and greatly enjoy them.

The description of the Bematos is exciting and I hope to be able to participate.

I am learning much from these lessons, specifically about Yeshua.

Ramla, Israel

There are so many Bible studies available online.

As I listen to these lessons

and as I read the comments

I am struck by the fact that

what is unique about these messages is

that people are actually saved!

London, England

The "Bematos" studies are two of the finest lessons produced by this ministry –  
keeping in mind that each of these lessons are wonderful.

If we misunderstand the bematos

we misunderstand everything about our lives as Christians.

If we have a true understanding - as presented clearly and without doubt –  
everything else will be right.

I am amazed at the reaction of my unbelieving friends who are enthralled.

Anaheim, California

The Bematos lessons cleared up so much **MISINFORMATION**

**AND GARBAGE** I have carried for years.

The lessons are so beautifully and graciously presented.

They have the ring of truth and authority.

So why am I not surprised that, as soon as these podcasts were published

there was a massive push back of people defending

their position that **GOD WILL PUNISH US.**

These messages of impending judgment upon believers

**TOTALLY CONTRADICTS THE BIBLE.**

Their sermons are **TOTALLY DEAD.**

Huntington Beach, California

I was initially drawn to this site because of the majestic Bible origin series

which represents unequivocally the most important

New Testament scholarship of this century.

The knowledge of Greek is impressive and exact.

Now additional lessons have been presented with teaching of the bematos.

The presentation is clear and simple and, yet again,

the Greek knowledge is exact and the presentation is absolutely correct.

Anyone who knows Greek will attest that this interpretation of the bematos

is perfectly in line with what the texts say.

Rafina, Greece
