J'ai fait confiance à Jésus comme mon sauveur il y a 2 ans en écoutant la vie de Jésus.

Je n'ai jamais commenté car mon anglais est mauvais.

Je suis tellement reconnaissante pour les merveilleux messages français.

Translation:

I trusted Jesus as my saviour two years ago by listening to the "Life of Jesus" series.

I never commented because my English is bad.

I am so grateful for the wonderful French messages.

Chartres, France

Editor's note: Your level of English was obviously not "bad"

as you were able to understand the message of salvation.

(French translation) Votre niveau d'anglais n'était évidemment pas "mauvais"

car vous avez pu comprendre le message du salut!

J'adore entendre la merveilleuse nouvelle de Jésus dans la langue française.

Pourquoi cet homme est-il le seul professeur à annoncer la bonne nouvelle?

Translation:

I love hearing the wonderful news of Jesus in the French language.

Why is this man the only teacher to announce the good news?

Bordeaux, France

The message of the lies of the church really struck me.

Those lies are all I ever heard.

They prevented me from wanting to have a relationship with God.

Now I see it is all about my trusting in Jesus as savior.

Why have I never heard this before?

1984: A DYSTOPIA

1949 / 1984 / 2020 – IS BIG BROTHER WATCHING YOU?

The 1984 presentation is shocking.

The teacher makes it obvious as to what the Deep State people are accomplishing.

I am sharing this with all of my contacts.

The emphasis was actually uplifting as it led me to reconsider my religion

and consider what it means to simply trust in Jesus as MY savior.

New York

The 1984 lesson opened my eyes to what is really happening in the world.

Above all, you opened my eyes to the means of salvation

by trusting in Jesus as my savior.

Why have I never heard this before...

New York

The study of 1984 overwhelmed me.

Now it all makes sense.

Now I understand the impact of the quarantines.

This is very admirably presented, with no finger pointing or ideological bias.

The salvation message is clear and simple.

I can't remember when I last heard the pure Gospel.

New York

HOU LA LA! Le message de 1984 est saisissant!

Je réévalue mes opinions sur la politique et ma relation avec Dieu !

Translation:

Wow ! The message of 1984 is striking!

I am re-evaluating my opinions on politics

and my relationship with God!

Bordeaux, France

A few weeks ago I was driving a rental car on a Sunday morning.

I turned the radio on and set it to scan.

Immediately I picked up the voice of a man speaking on the radio.

As I continued to drive, the signal began to fade so I circled back

and sat in a parking lot where I could hear the broadcast.

The message was very interesting.

The man was teaching about the Bible

but he was explaining the meaning

in a way I had never heard.

Fortunately he referred to RadicalGrace.com. So I was able to find it.

I have listened to many lessons and I continue to learn.

Despite being a member of a Protestant Church for years

I had never heard of this message of trusting in Jesus as my savior.

I don't know exactly where the broadcast is originating

but I am going to a parking lot and listening every Sunday morning.

Conroe, Texas

O boy, Mister Talker really talks the true things.

They want take us!

All the time new groups listening.

All time Mister Talker.
