**September & October 2018**

It has been a while since I have viewed your website.

The Jehu message has stuck for a while.

Johnny and Connie, both of you are God's reward for those of us  
who love the Word of God.

Getting it live on Sunday morning is the best. Thank You...

Montgomery, Texas

Finally, Mister Talker arrive!

Listening to every day and thanking Mister Talker -- I trust Jesus.

China

Each day I walk a long way to hear these talkings,

making me so happy.

I want to listen all day long about Jesus.

China

Most intriguing presentation of quantum mechanics in the "Cornerstone" study.

The science is impeccable and the resolution is very interesting.

I then listened to the story of David and Goliath because it was familiar to me.

This was the first Bible study ever for me.

It was very good.

Next I will listen to the one with the man in the 409 chariot!

**The Rapture** comes suddenly during a Time of  
***"Peace and Safety"***

**5 SIGNS OF THE COMING TRIBULATION**

The peace and safety message is yet another blockbuster  
which the entire world should hear.

The explanations of the Greek language  
are always perfectly accurate and impeccable.

Thessaloniki, Greece

The rapture comes during a time of "Peace and Safety".

At first this scaring the hell out of me!

As I listened more, now I have real peace.

I trust in Jesus -- He is taking care of everything.

Mister Talker is being the bestest.

China

Very powerful and clear explanation of the volatile situation in the world today.

It is most reassuring.

This is my first experience with Bible teaching

and it is extremely attractive to me.

Malaysia

Thank you ever so much for the exciting message on peace and safety.

It was remarkably perceptive concerning the state of the world.

More listening groups have started because so many are being saved.

Iceland

Peace and safety -- how I want.

But this lesson gives me understanding,

and, I believe, confidence in this Bible.

Pyongyang, North Korea

Peace and safety.

Thank you.

Tremendous.

Clear presentation of current world situations and astonishing vision of the future.

I believe this teaching is true.

And I look forward to continue to study the Bible through these studies.

Riyadh, Saudi Arabia

After many listenings I trust in Jesus.

Dubai

What a gift!

This teacher explains stories with clarity and humor,

then he discerns powerful spiritual messages and applications

I would have never seen!

Best of all he continues to faithfully point us

to Jesus and away from ourselves.

Every lesson is uplifting.

I wish there were more like this but I haven't found any.

No wonder people are saved throughout the world.

Montreal, Québec

For my first encounter with Bible,

I greatly benefit from the cornerstone.

I have to admit, Jesus seems to be answer.

Moldova

This funny talking about rock -- I laugh like crazy and more crazy.

I find Jesus and trust in Him

Sister trust in Him likewise.

China

All praise be to God, ruler over all of the spirits,  
through the cornerstone message.

I trusted in Jesus as savior.

His spirit has overwhelmed the spirits of the enemy who had overwhelmed me.

They are gone leaving no trace.

Holy spirit has made me new.

Oh the power of a Spirit driven message.

Cameroun, Africa

Superb lessons and teaching.

Mind changing.

Everything changing.

Riyadh, Saudi Arabia

Peace and safety.

Oh yes, we all want in the world, in our country, and in ourselves..

And yet where or how no one knows.

This lesson presents Jesus as peace and safety.

Yes, it seems to be the truth.

Ho Chi Minh, Viet Nam

As I travel throughout the country

it seems that virtually every city has at least one group of people  
eager and excited to hear the latest studies.

So many are born again

and are very relieved to understand peace and safety.

Iceland

Talking of peace and safety making me want peace and safety.

This talker always talk that Jesus is giving the peace and the safety.

I trust Jesus. Three sisters trust Jesus.

China

A new group has started.

All groups listening to Mister Talker.

Many trust Jesus.

"Peace and safety" good talking.

I was released from the bonds of darkness

and have become a daughter of God

as I trust in Jesus as my own savior.

“The Life of Jesus – Learning to Listen” #55

## **The Olivet Discourse**

with **The Rapture of the Church** inserted

Psalm 2:

***God laughing at world leaders openly hostile to Him***

I have attempted to listen to many Bible studies in my life,

but never finished any, or listened to more than a few minutes.

The study "The Olivet Discourse" was different.

I listened, not only for a few minutes,

I listened to the entire message -- 3 times (so far).

The professor explained precisely everything happening in the world today

with an obviously supernatural insight.

I then listened to the Peace and Safety message

and was also immensely impressed.

I believe this Bible has answers not found in my traditions and I will continue to listen.

I want to be taken out of here.

Riyadh, Saudi Arabia

Masterful expositions of the Scriptures.

The knowledge of the Greek language is beyond compare.

Athens, Greece

Peace & safety, Cornerstone, Jehu -- listened to all.

I love all (pointing to) Jesus.

Ho Chi Minh, Vietnam

I have recently returned to my native France after a few years in Texas.

I owned a flower shop in the Houston area

and frequently a very gracious and kindhearted man would come

to buy flowers for his wife, whose name rhymes with his!

Older women appreciate it when a man is charming with her!

Although this gentleman was thoroughly Texan,

he spoke absolutely beautiful French – astonishingly good!

He sounded like a poet, like Molière

How striking that he was my last customer before putting the keys under the door –

just in time for his rhyming wife's birthday!

On that occasion he gave me a pen and a card with his website.

I finally went to the site and started listening to the story of Jehu in the chariot!

I listened to more and more then realized that

I was a lifelong religious person who was headed to hell.

I trusted in Jesus as my savior and now I know that

I will see Jesus, mon ami Texan, and his rhyming name wife in heaven!

Josephine  
Bois Colombes, France

*Josephine, we are so grateful that you sent us word about your return to France and that "tout est bien tombé". Most importantly, we were so excited that you actually listened to several studies and made the one-time decision to put your trust in Jesus as your savior! You could not have sent us better news!*

*And what divine timing! When Johnny told me last February that you were planning to close shop and return to France, I would ask him time to time, did you stop by and give Josephine a card and pen? (I especially wanted the lady who always handpicked*

*lovely bouquets of flowers for Johnny to give to his rhyming name wife to hear the Good News!) What a blessing to hear that you (unknowingly) waited to close your shop on my birthday, with Johnny being your last customer, so he could visit you one last time – this time with card and pen in hand.*

*Johnny will miss seeing and conversing with you in French in your shop, but both of us are looking forward to visits with you in heaven !!!*

*Connie Tatum*

The Olivet Discourse is outstanding in that it interprets current events

and makes sense of all the nonsense!

It is a very reassuring message and so powerful that

my atheistic husband downloaded a copy so that he could listen again.

Thank you for faithfully presenting the simple clear Gospel.

Luxembourg City, Luxembourg

The Olivet talking very complicated,

but after listening many times it made sense of all the confusion in the world.

Mister Talker made me happy to find Jesus.

I trust in Him.

China

Talkings making Jesus explode all over and through our city wonderfully!

China

These lessons truly touch the hearts of Chinese people.

The speaker uses imagery and pictures.

These resonate with their minds.

They love the messages and

love the salvation message of Jesus!

Hong Kong

I have never heard teaching like this.

The Bible has come alive for me.

It is so refreshing.

I was looking for a biography of the speaker.

He seems to have a classical education.

I would love to know his background.

Prague, Czechoslovakia

I already know everything about Mister Talker.

He a kind man, he a funny man.

All of time he point to Jesus.

China

As soon as I began to listen to the Bible origin series I knew who the speaker was.

This professor has collaborated with some of the giants

in the Greek New Testament scholarly community.

I appreciate the fact that he confines his presentations to

information which is available to the general public.

I respect his decision to remain virtually anonymous.

Above all I appreciate that he faithfully presents the simple Gospel

and total grace without wavering.

No wonder people are actually saved through this ministry.

O.T. Stories #28 ZECHARIAH'S FIRST VISION:

God sends His patrolling angels to stir up turmoil to expose evil

Today's "**left wing socialists**" are actually **extreme right wing fascists**

**THERE IS NO SUCH THING AS SOCIALISM!**

The new lesson on Zechariah, the horses and the myrtle trees is truly sublime.

What an astonishing way to understand the turmoil in the world,  
and specifically America.

Now I understand the extreme backlash on the part of the forces of evil –

**IT IS NOT THE WORK OF SATAN !**

Rather it is all a work of God - to bring peace!

I listened enthusiastically and I have already shared the message

with my unbelieving friends, all of whom were flabbergasted.

This is the way to reach unbelievers -- present messages that

are interesting and which explain the current events Biblically.

Thank you for the clear Gospel.

Tacoma, Washington

This talker always speaks good talkings.

This boy amazes me about this (turmoil) -- it is true.

I see it in my country.

Mister Talker totally correct.

Thanking Mister Talker for (talking) Jesus.

I trust (in Jesus).

China

I was saved through this ministry years ago  
and I continue to listen to each lesson on the website  
and on YouTube.

I am sending the new message to the local media.

I want to add that

all of my family (11 in all!)

were saved through these messages.

São Paulo, Brazil

Incredible explanation of 2 systems.

I never understood the difference.

I am astonished to discover that there is no difference!

I actually listened to an entire Bible study for the first time in my life.

I actually listened to some more and have discovered a lot I did not know at all.

I was intrigued by the statement that a one-time decision can make the difference

between heaven and hell. WOW.

Still assimilating.

Helsinki, Finland

***Letters continue on the next page . . .***

When I saw the title of the latest YouTube video I thought this guy's crazy.

As I listened I was shocked to realize that he was correct about "right" and "left"! I wasn't looking for anything religious but there are some great studies on the website.

I'm getting into this.

Note to preachers: if you want heathen like me to listen to you,

try knowing what you're talking about.

Listen to this man. Take notes.

New York

The YouTube video is a blockbuster.

Such a perfect analysis of political groups.

It just shows that if someone really knows the Bible

he can understand literally everything

that is happening in the world.

I was saved months ago by listening to the lesson on

“Nations, borders, immigration and sanctuary cities”!

Rotterdam, The Netherlands

Every talking is more wonderful.

Every talking all Jesus. That is all I want.

Jesus - I trust, two sisters trust - and love.

China

Yet again amazing timing.

Last week at the end of our lesson (we listen to RadicalGrace.com every week)

we were discussing the confusing political terminology --

the issue specifically addressed in this lesson!

Very clear and very comforting.

Our group had to divide once again as

the groups had become larger and more numerous.

One group meets at 4 in the morning and some want a meeting every day!

So many have trusted in Jesus.

Iceland

"God stirs up turmoil" -- what an astonishing presentation.

Our American friends had better pay attention to this message.

We here know what can happen.

The explanation of trusting in Jesus as savior - and that alone - for salvation

is new to me, a lifelong church member.

I am continuing to listen.

The Hague

***Letters continue on the next page . . .***

I was led to trust in Jesus as my savior at a conference

where this pastor presented the Gospel to the French speaking people.

I have continued to follow his teaching.

It is very refreshing because I almost NEVER hear the clear Gospel  
from any other teacher.

He must be under constant attack from the enemy.

The latest message must have stirred up a vicious assault.

I, and all of my French speaking friends and colleagues who have been saved  
through his ministry pledge to pray for protection.

Yamoussoukro, Côte d'Ivoire

God sends His patrolling angels to stir up turmoil to expose evil.

Weiaa listening like crazy many times.

Surprised then happy because Weiaa trust Jesus.

Friend trust Jesus.

China

## **17. Defeating LUCIFER'S GOVERNMENTAL AND POLITICAL ACTIVITIES**

### **THE SOLUTION TO THE POLITICAL PROBLEMS IN THE US TODAY**

*(Originally posted as)*

**THE GATES OF HADES** cannot withstand **The Gospel** (Part 1)

## **DEFEATING LUCIFER IN HIS POLITICAL AND GOVERNMENTAL ACTIVITY**

"Defeating Lucifer's governmental & political activities"

may be the most amazing Bible lesson I have ever heard.

This message gives THE solution to the political problems in the US today.

The solution is the Gospel.

Listen.

I promise you, you will hear information you've never heard before.

Unfortunately this teacher is almost alone

in his proclamation of the clear Gospel.

San Francisco, California

This teacher continues to explain the current political dynamics and

to clearly state that the church has the weapon

that will bring victory in the governmental realm.

The weapon that will conquer the forces of evil is the Gospel.

I have spent days listening to all of the major Bible teachers

to see if I could hear the Gospel.

How many times did I hear the gospel? ZERO. Not one time.

I know they think they are giving the Gospel but they are not. Only this teacher.

He must be catching all of the heat.

We'd better pray for him.

Baltimore, Maryland
