Your presentations of art and music are extremely interesting and new!

And I love your closing music. "Smiling faces"!

What other Christian site offers music of ZZ Top and Merle Haggard!

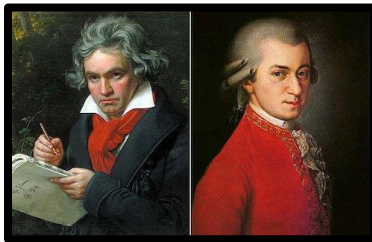

I was saved by listening to your audios years ago,

and this is still the only place I hear the Gospel.

Yes, the only place!

Light of the Gospel reflected
in Art & Music

The studies of art and music are unparalleled.

I actually understand the techniques of the great composers and artists.

The presentations are so outstanding that I began to listen to the "Life of Jesus" series,

and I have already changed my thinking about Him and the Bible.

Liverpool, England

Your Guest commentaries on Europe 1 led me to your website

where I discovered the series on “The Bible: Origin & Transmission”.

What a masterpiece!

It took me 2 days to listen to the entire series.

There is a lot of repetition in the introductions,

but they are necessary given the magnitude of this study.

I had feared that the work of Bruce Metzger, Carlo Martini and Kurt Aland

had been in vain.

This series brings their work back to life.

ZECHARIAH'S FIRST VISION:

**God sends His patrolling angels to stir up turmoil
to expose evil**

**TODAY'S "LEFT WING SOCIALISTS" ARE ACTUALLY
EXTREME RIGHT WING FASCISTS**

THERE IS NO SUCH THING AS SOCIALISM!

The first time I listened to your study of socialism I thought you were an idiot.

The second time I was intrigued.

The third time I began to believe what you were saying.

The fourth time led me to believe that there is something supernatural about the Bible.

I await what will happen the next time.

Excellent analysis of the current political situation --

the deceptions and ruses of the left wing one world government advocates.

Your study was the first religious broadcast

I have ever heard all the way through!

Liverpool, England

The latest YouTube podcast is extremely enlightening.

I have never really understood the difference

between socialism and fascism.

It makes sense now to know that there is no difference!

Thank you for presenting the Gospel in its simplicity and power.

Votre exposé sur la vérité qui se cache derrière le socialisme a fait mouche.

Merci pour vos explications et pour nous avoir rassurés sur le fait

Translation:

Your exposé on the truth behind socialism hit the nail on the head.

Thank you for your explanations and for reassuring us of the fact
