## September - October 2019

Wonderful and marvelous are the excellent Bible studies.

This is my first experience with the Bible and it was not as was expected.

I listen daily.

Paris, France

Stupendous and sublime telling of the “Great Stories of the Bible”.

I did not have any idea.

I telecharged all and listen two times by day!

Rouen, France

I have listened every morning and evening to and from work.

After many enjoyable listenings I grasped the essential.

I trusted in Jesus who saved me and erased my sins.

Paris, France

The wonderful and very funny story of Jehu

is a moment I will never forget when I trust in Jesus.

Rio De Janeiro

## **NO—NONSENSE CAPTAIN JEHU**

**DRAINS THE SWAMP**

Cairo, Egypt

The lesson of Ezekiel really exciting --

above all for men who have no interest otherwise in the Bible!

## #2 Ezekiel's Vision of Living Beings

### ***Supernatural Movement in Four Dimensions (4-D)***

I finally listened to the audio files given to me during the Notre Dame conflagration.

{History of the World #s 72–74 The Coming 1000 Year Kingdom}

I wish I had begun the listening sooner.

I was blessed beyond my capacity to explain

as I discovered what was missing in my life -- Jesus !

Paris, France

The latest two episodes are both incredibly accurate and intriguing descriptions  
of quantum mechanics and of the inevitable dissolution of the universe.

I am not a religious person

but these two studies have encouraged me to

download some more and continue to listen.

Strasbourg, France

## PETER THE REDNECK POET – 2 PETER

### # 9 THE ULTIMATE MELTDOWN

**The Universe is taken apart & put back together**

***With a whoosh, on the Wings of the Wind --  
Big Bang in Reverse***

Closing: Dire Straits, "Pop Goes the World"

The new Ultimate Meltdown audio is so spectacular even the men are listening!

I trusted in Jesus years ago as I listened to the life of Jesus.

These scientific based studies are ones I love to share.

I am so pleased that we have a high official who is in tune with these.

Paris, France

Ouah!

The recent broadcasts have overwhelmed me,

as I listen to Bible lessons for the first time ever!

I never really grasped, or frankly, wanted to grasp

the importance of Jesus!

Paris, France

Marvelous stories -- so many and all filled with good news

of God's grace and mercy in Jesus.

I am happy to share these

because they are invariably well received and appreciated.

Pago Pago, Samoa

Excellent stories from the Bible for my first knowledge.

Entertaining and I learn very much.

Bahrain

Histoires magnifiques. J'adore. J'apprends la vérité sur Jésus

Je pense qu'il parle français.

Côte d'Ivoire, Africa

**Translation:** Magnificent stories. I love them. I am learning the truth about Jesus.

I think he speaks French.

I am struck by the Bible lessons.

I have always heard of Bible but knew nothing of it.

I am liking more each day that I listen.

Algeria, Africa

I have listened to many of the excellent stories.

The study of Ezekiel led me straight to Jesus!

Côte d'Ivoire

All of the lessons inspire me.

The cherubs in the supernatural realm have repelled all the evil spirits,

who left in fear,

never to return.

Côte d'Ivoire

Thank you for the splendid lessons from the Bible.

I had never opened the book.

Nor have I ever had any interest.

I am learning truths of Jesus as I learn about trust in Him.

Paris, France

I finally listened to the lessons on the USB key presented to me

and I am full of joy to discover the truth about life, eternal life, and heaven.

Everything is found in Jesus!!

**THE PERNICIOUS POISON OF RELIGION**

Bonjour M le prof !

So pleased to encounter your teaching once again.

In fact I knew you were a Christian because of many hints you gave!

The "poison" broadcast was the first time I heard you speak English!

This broadcast was so outstanding, I shared with religious friends

who were so struck that they want to meet routinely to listen to more!

May God bless you.

Paris, France
