

Lucifer loosened

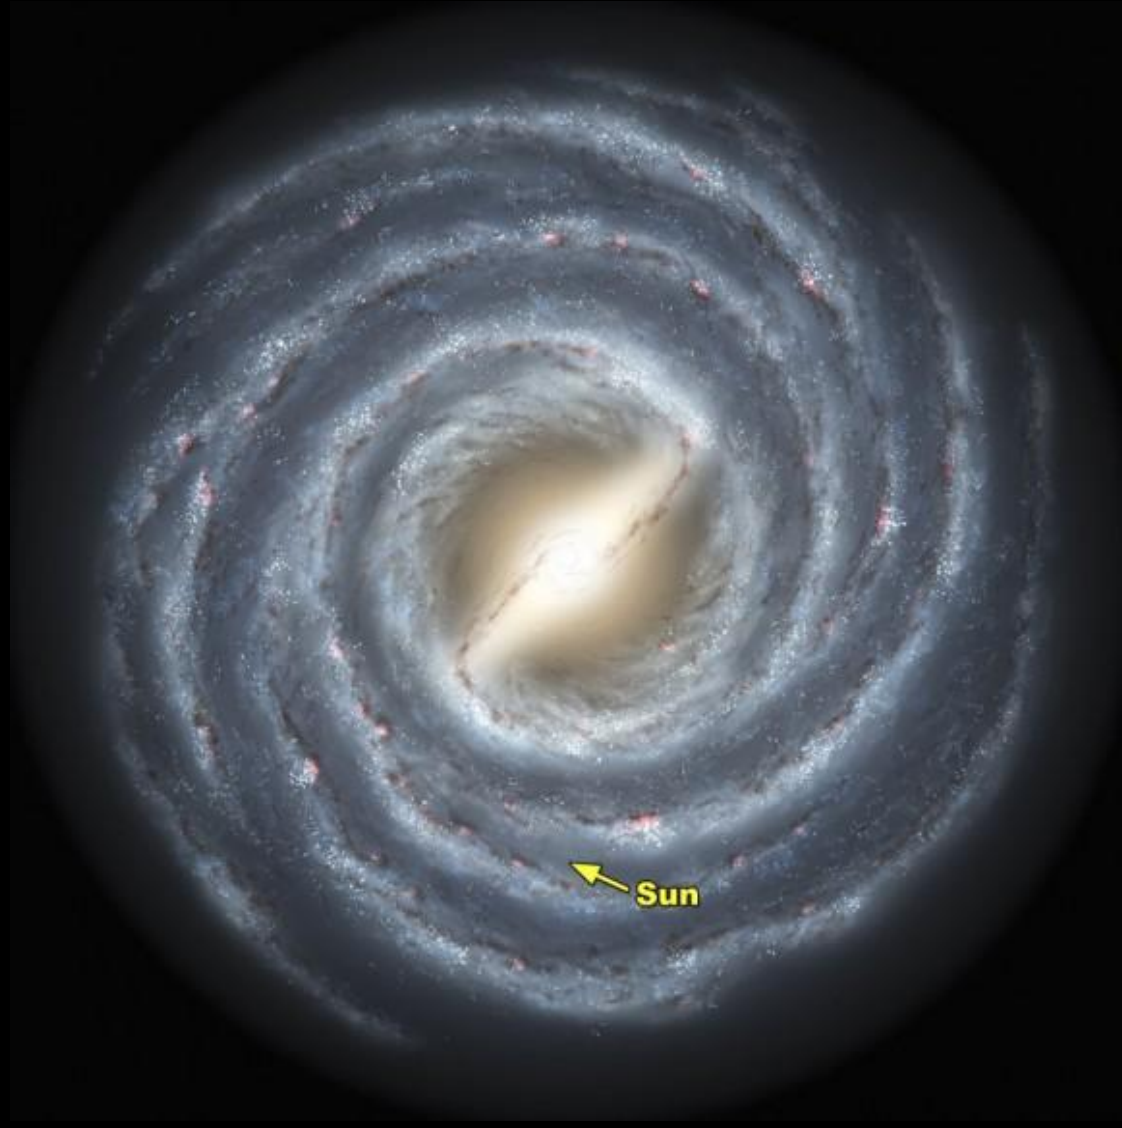

**Universe in
chaos**

In the beginning
God created
the heavens and the earth

Genesis 1:1

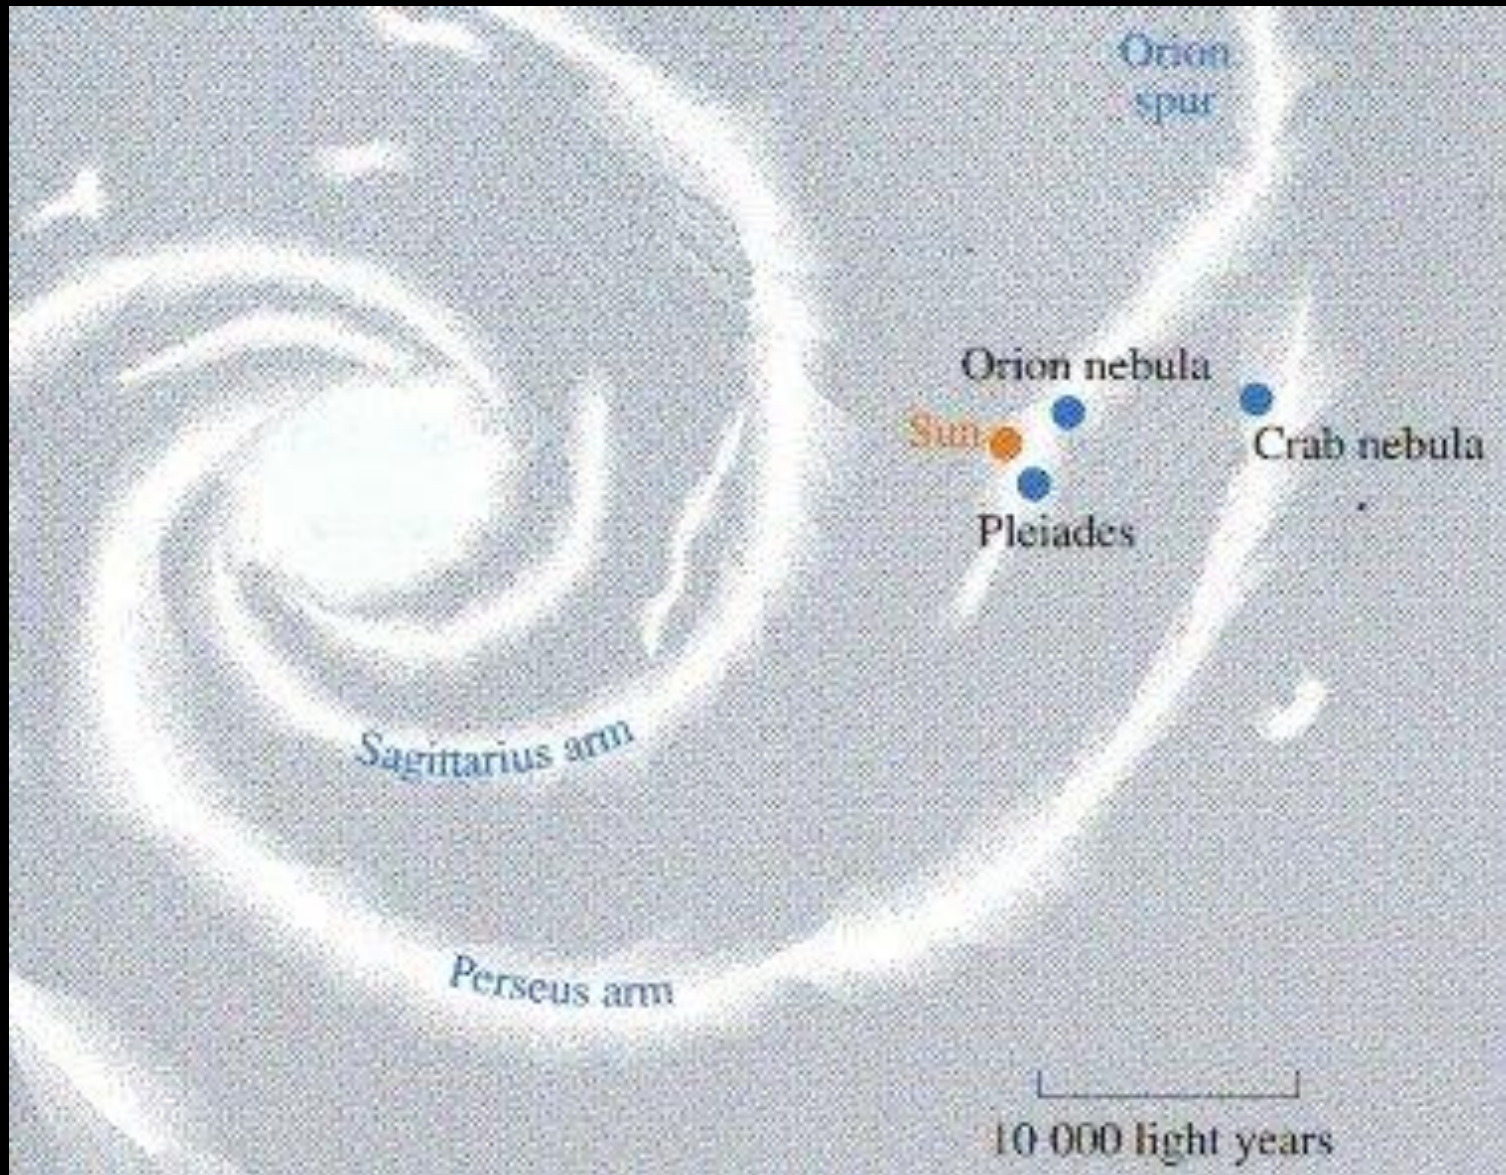

The Milky Way Galaxy – artist's depiction

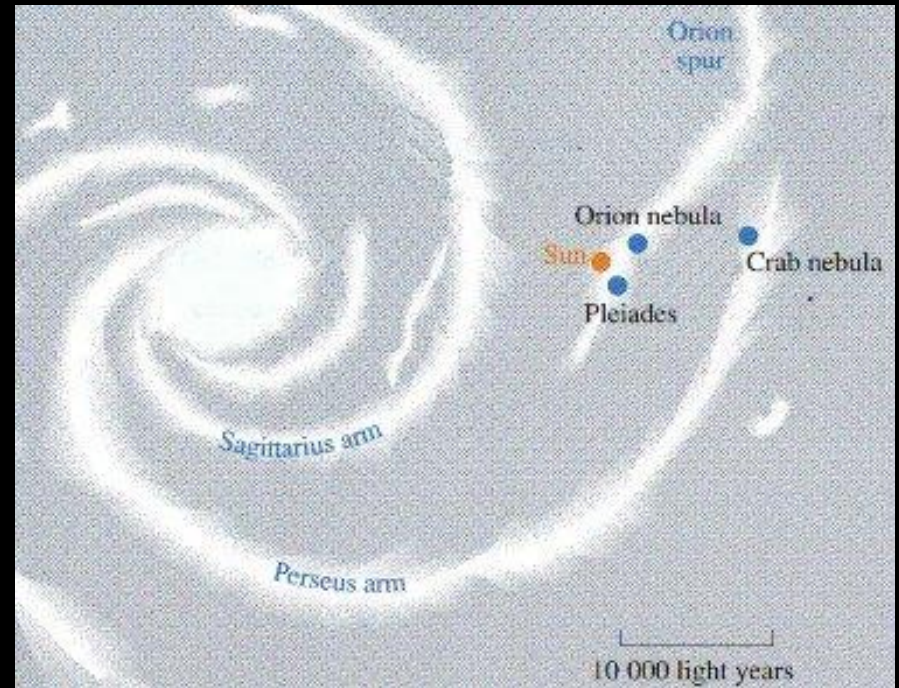

The “Milky Way” in the sky

The Milky Way schematic

The “Milky Way” as pictured above actually a portion of Sagittarius’ arm (as seen in the drawing on the right) from the Orion spur

Crab Nebula – exploding star

Eskimo Nebula – exploding star

NGC 2440 – Star collapsed within itself, then violently exploded out

HEIC 110 Nebula with one arm flying off

Arp 148 – Two galaxies perpendicular to each other colliding

Two spiraling galaxies well into their collision

Two Spiraling galaxies colliding

Two galaxies with streamers colliding with incredible force

"I am the LORD,
I have called you in righteousness,
I will also hold you by the hand
and watch over You"

Isaiah 42:6
