Old Testament # 67

The Good Samaritan

JESUS TAKES A LAWYER TO TASK

Astonishing presentation of the Good Samaritan.

This teacher never fails to present Jesus' grace and mercy to us.

It is very freeing and very rare!

Liverpool, England

All of these Jesus stories **TOTALLY TURNED ME OFF OF RELIGION OR
ANYTHING CONNECTED WITH THE BIBLE.**

Based on what I was taught I thought

**THE BIBLE WAS A LIST OF RULES AND REGULATIONS
WE HAVE TO KEEP
IN ORDER TO GO TO HEAVEN.**

The message I just heard on the Good Samaritan stunned me.

For the 1st time I got it.

Jesus kept all those rules and regulations for me.

When I trust in Him I get the credit for having done everything right.

Unbelievable but I know it is true.

Now I have peace -- finally.

Tacoma, Washington

The message of the Good Samaritan thrilled my soul and enlightened my mind.

Always Jesus alone.

The podcast on government contradicts everything I learned in government class
and yet the podcast makes sense and correlates with the reality!

I am in the process of downloading more of these.

1 Peter #11 HUMAN GOVERNMENT

*Scriptural Authorization for
Armies, Navies, Sealing Borders &
Pre-emptive Strikes* **AGAINST TERRORISTS**

Greetings from Paris.

I want to congratulate you for the excellent YouTube videos.

I have been captivated by the studies of King Jehu

and the border and immigration issues.

They truly cleared up my thinking.

I also have an interest in knowing more about Jesus.

The "Life of Jesus" series really looks interesting.

Paris, France

It became obvious that some governmental officials in high places

are listening to these studies -- so I finally began to listen.

It did not take long for me to realize why these are so popular.

The insights into borders and immigration are indeed spectacular.

I may even open up the Bible!

Paris, France

BIBLICAL PRINCIPLES

*for Nations, Borders, Sanctuary Cities
Controlled Entry of Immigrants*

The border immigration studies are very, very powerful.

I listened many times with pauses to reflect.

I gave myself 3 hours for the total listen.

Finally, I assimilate the issue of trusting in Jesus.

Very stimulating.

The Good Samaritan

JESUS TAKES A LAWYER TO TASK

Thank you for the marvelous study of the Good Samaritan.

I had heard of the expression many times but I did not know it was from the Bible.

The focus on Jesus intrigued me.

I next listened to the study of different forms of government.

The conclusion startled me but I am convinced that you are correct.

I have downloaded several to listen on the metro.

I am interested in some of the more religious content.

Paris, France

Mister Talker, the Good Samaritan story is tremendous!

More in group.

China

Bless you for the unwavering clear Gospel message in every message.

Honolulu, Hawaii

Friends, I am very thankful and full of gratitude

for the Good Samaritan story and many others

which draw me to Jesus forever.

Moscow, Russia

I knew of rumors of high officials who follow faithfully,

so I thought why not tempt the blow (give it a shot).

I was so excited as I listened.

I knew that this was something new and informative.

Indeed that was the case.

I have already listened to 12 of the series "The Life of Jesus".

I cannot prevent myself from continuing to listen.

History of the World #73 – Criminal Justice in the Kingdom

I have been curious as to what the excitement was about so I began to listen.

My eyes were opened!

Everything began to make sense

from the governmental scene to the spiritual dimension.

Now that I understand, I'm very happy that some of our leaders are also listening.

Paris, France

Wonderful studies -- my first ever to enjoy the Bible.

New dimensions of Jesus as I seek to know Him, to trust in Him.

Paris, France

August 2019

Sublime and superb studies.

The story of Jehu is a masterpiece of humor and serious reflection.

The story of Gethsemane hit my heart.

Great Old Testament Stories #18

NO—NONSENSE CAPTAIN JEHU

DRAINS THE SWAMP

The message of Jehu is startlingly accurate for today.

No wonder there is such a backlash against this lesson.

That, and the simple gospel, which I literally hear only here.

Washington DC

Wow... These messages on borders and government are astonishing.

And the King Jehu lesson is hilarious.

The times in which this king ruled are an obvious parallel to the US today.

I totally get why people love these messages and I get why some people hate them.

Fairfax, Virginia

History of the World #73

CRIMINAL JUSTICE IN THE KINGDOM

I was anxious to hear these studies for myself after so much clamor.

I have become an accro {addict} !

I have learned so much about governments,

about protection from criminals,

for protection of the borders.

And of course, for the first time I am beginning to capture the significance of Jesus.

Now I see why M Philippe is an avid listener!

Paris, France

I have been a church member for many years

and this is the 1st time I have ever heard the message about

trusting in Jesus alone for salvation.

Washington DC

I congratulate you and thank you for the wonderful stories from The Bible
all of which are basically new to me.

This professor brings Jesus into every single story
and it does not appear to be forced or manipulated.

I continue to listen to understand what is being said about trusting in Him.

Colombes, France

The story of King Jehu is a delightful tale,
presented with humor (and an awesome impersonation).

I listened the 1st time with great amusement,
but then I realized I needed to listen a second time.

With the 2nd listening I caught the real significance
of what it takes to drain the swamp,
and that my opinion was totally wrong!

Thank you for this excellent reminder that God indeed is in control !

Ezekiel – The Pantomime Poet # 2

2. Ezekiel's Vision (by the River Chebar) of Living Beings

Supernatural Movement in Four Dimensions (4-D)

The study of Ezekiel and the four dimensional movements of the Angel's is astonishing.

The speaker accurately describes the realm of dimensions with skill and humor.

I am actually going to listen to some of his other podcasts.

Frankfurt, Germany

Absolutely spellbinding presentation of the cherubs and the multidisciplinary realm.

Also very appealing religious concepts.

Copenhagen, Denmark

2. Ezekiel's Vision of Living Beings

Supernatural Movement in Four Dimensions (4-D)

The Ezekiel message is a powerful message

weaving together current scientific dimensional models

with excellent biblical analyses.

I say this as an agnostic

who for the first time has found religious teaching that I respect.

London, England

With all the publicity, I decided

to listen to the border and immigration studies

which were astonishing.

I continue to listen daily.

Paris, France

How does Romans 7:2 fit with retaining our spouse in the kingdom?

Doug
St Louis, Missouri

JOHNNY'S RESPONSE:

Thank you Doug. That is an excellent question.

The passage to which you refer is as follows:

Romans 7: 1 Or do you not know, brethren (for I am speaking to those who know the law), that the law has jurisdiction over a person as long as he lives?

2 For the married woman is bound by law to her husband while he is living; but if her husband dies, she is released from the law concerning the husband.

3 So then, if while her husband is living she is joined to another man, she shall be called an adulteress; but if her husband dies, she is free from the law, so that she is not an adulteress though she is joined to another man.

The key to understanding this passage is the expression "she shall be called an adulteress". That tells us that Paul is speaking of here, in this fallen world realm. Here, in this life a woman who is already married, marries another person would definitely be called an adulteress.

However (again, in this realm), a woman whose husband dies is **legally** free to marry again - although that may not be the best option from a Scriptural view - because marriages between believers do continue unto eternity!

I am glad that you asked the question because I am certain that others have wondered about the same passage

For those interested in listening to the audios about the coming 1000 Year Kingdom, including the perpetuity of marriage, go to the “History of the World – Past, Present, Future” series. Numbers 72 – 74 give an overview of the Millennial Kingdom.

THE COMING 1000 YEAR KINGDOM

For the first time I listened to an entire Bible study --

{2. Ezekiel's Vision of Living Beings

Supernatural Movement in 4-Dimensions}.

I loved it very much and also listen to others.

Paris, France

The studies of government and border control totally Jarred my thinking.

Above all the teaching of Jesus was something I had never heard.

Bethesda, Maryland

The Bible studies of nations and borders are stunning.

I see why so many hate them.

Or it could be because of the Gospel -- which I find ONLY here.

Philadelphia, Pennsylvania

It was exciting to enjoy a Bible lesson for the first time.

Paris, France

Thrilling and exciting was the reaction to the new Ezekiel lesson

as new groups develop and more saved!
