

# Letters to Worldnet Grace Ministries

**May & June 2016**

Bravo –

The origin and transmission of the Bible series is incredibly intellectually stimulating.

It is rare to experience such an invigorating presentation of a most complex subject.

I have listened to the entire series twice and even more for the last 2.

{“The Bible – Origin & Transmission” series}

11. How Lachmann’s Five Rules were implemented in restoring the Critical Text

*The more difficult reading is more likely to be correct!*

12. Applying Lachmann’s Five Rules to 1 Corinthians 14: 34 & 35

*Women in the Church*

This is indeed a unique opportunity.

I have never seen academic types so interested in the Bible.

**Leipzig, Germany**

Thanks for the new Ezekiel!

{“Ezekiel – the Pantomime Prophet” series}

5. Ezekiel acts out his first Six Parables

*When a Believer trusts & praises the Lord ==>*

*Holy Spirit lifts & empowers Believer*

We are thrilled with each one.

These lessons change our lives forever.

**Iceland**

Dear new friends, the inspired God spoken Ezekiel messages dispelled my evil spirits.

They left with rage as Holy Spirit descended from the cherub wheels.

Praise to God

{“Ezekiel – the Pantomime Prophet” series}

3. The Ultimate Light Show revealed in Ezekiel’s Vision --

Living Beings, Wheels, the Firmament, & the Throne

*Why God never leaves a Believer’s Side*

4. Holy Spirit empowers Believers to stand, to hear, & to walk with God

*Events on Earth orchestrated by Spinning Wheels in Heaven*

**Bamenda, Cameroon**

I was attracted to this site by the awe inspiring, scholarly bible manuscript studies.

{“The Bible – Origin & Transmission” series}

These were so good I actually ventured into the studies of Ezekiel.

{“Ezekiel – the Pantomime Prophet” series}

These, unlike every other bible studies I have ever heard, are extremely informative.

I have never really explored religious studies

but I have downloaded several of these for listening as I drive.

**Munich, Germany**

These messages drew me to Jesus years ago.

Very nice new {*home page*} presentation has opened many new intriguing studies.

**Damascus, Syria**

These majestic expositions of Ezekiel have turned my life.

{“Ezekiel – the Pantomime Prophet” series}

As I began to listen my spirits,

which had been my companions since meeting them

during my time as a college student in America,

began to fight me.

They clearly did not want me to know about the wheels.

They did not want me to know that praising Almighty God fuels the cherubs

to turn the wheels to bring blessing down from the throne.

Most of all they did not want me to know the Creator of the cherubs -- Jesus.

I successfully fended off their torment and trusted in Jesus as my Saviour.

I am now only aware of these most evil spirits as I see them in others.

Praise God. Oh yes indeed praise God.

**Abujah, Nigeria**

The life of Jesus messages are overwhelming.

{“The Life of Jesus – Listening, not obeying” series}

I was encouraged to listen

and now I in turn am encouraging others to listen as well.

**Riyadh, Saudi Arabia**

The Bible manuscript lessons are absolutely unprecedented.

{“The Bible – Origin & Transmission” series}

They came highly recommended

and I found them to be even better than they were described.

The religious insight is appealing.

Bonn, Germany

*Because of the overwhelmingly sustained popularity of*

*"The Bible -- Origin & Transmission" series,*

*we (Johnny & Connie) reconsidered and decided to post the two lessons previously omitted from the series.*

*(We had been concerned that there had been too much repetition, but that does not seem to deter our listeners.)*

*So today, May 15, 2016, we are posting:*

**5. Tracing the New Testament from the Autographs to the  
Textus Receptus**

***"Men carried along by Holy Spirit spoke from God"***

***Blessings on your continued study!***

*“Letters from Listeners” continues on the next page ...*

Thank you so much for posting the “new” Bible origin study. {Bible #5}

It is most assuredly valuable!

I have listened to each lesson multiple times and get something new every time.

I have used these successfully with unbelieving scholars and they are 100% heartily enjoying them.

**Bonn, Germany**

SO exciting to see the new Bible manuscript lesson! {Bible #5}

I trusted in Jesus as my savior one year ago as a result of listening to this scholarly presentation.

They were the gateway to lead me to “The life of Jesus” series.

Many associates have followed the same path as I.

**Munich, Germany**

The sermons on Ezekiel brought the light of Jesus

into my dark world of Lucifer. {"Ezekiel – the Pantomime Prophet" series}

Praise Jesus' name!

**Nigeria**

Gratitudes to you for posting the missing Bible message.

{“The Bible – Origin & Transmission” #5}

There is certainly no unnecessary repetition as this is a most complex issue  
which to my knowledge has never been attempted before.

The impact on me has been most profound.

I had heard “accept Jesus”.

But before I could turn to Jesus I had to accept the Bible.

These studies led me to accept the Bible.

Hence I was able to understand and trust that Jesus is my savior.

Any skeptic should heed these studies

**Munich, Germany**

Carlo Martini would have been so ecstatic to discover these Bible manuscript studies.

The presentations reflect a thorough understanding of the textual processes  
and are highly evangelistic.

The Gospel was Carlo's highest priority

**Milano, Italy**

**Life shaking words** in every study.

**Amman, Jordan**

I am so happy with every new lesson.

The newer Ezekiel lesson was well received by our group

which now numbers 28 women.

Humorous.

We ate the lunch then assembled to listen to the Life of Jesus and behold a new Ezekiel.

Very insightful and explains the monstrous evil in high locales.

{“Ezekiel – the Pantomime Prophet” series}

6. God Exercises His Strange Work in Jerusalem

**Beijing, China**

The Bible origin and transmission lessons piqued my interest

and ultimately led me to a trust in Jesus as savior.

The new study is a gift.                    {“The Bible – Origin & Transmission” #5}

Yes, indeed, thank you for posting it

**Mannheim, Germany**

## **June 2016**

*Worldnet Grace Ministries'

Some of the letters below include comments on the new format.*

I love the new site design. It looks tremendous.

I am now able to assimilate the wealth of material available on the site.

Every series has been a blessing and has led to many that I know being saved.

**London, England**

The new design is perfect for these magnificent Bible studies.

"The Bible -- Origin & Transmission" series is academically earth shaking.

This outstanding {home} page will draw even more in.

**Bonn, Germany**

Such a wonderful new layout.

I am in awe at the number of sermons present.

All most gratifying to listen

**Iceland**

Outstanding new presentation!

{“The Bible – Origin & Transmission” series}

5. Tracing the New Testament from the Autographs to the Textus Receptus

*"Men carried along by Holy Spirit spoke from God"*

Led me to the remarkable Renaissance messages.

{“History of the World - #44 The Church of Sardis, Part 3}

*Light of Gospel Reflected in Renaissance Art*

*Reformation for the Church; Renaissance for Europe*

These will strike a chord with the University colleagues

**Milano, Italy**

Thank you for posting the new Bible origin study. Excellent decision.

{“The Bible – Origin & Transmission” #5}

This lesson provided valuable information and, as always, the clear unfettered Gospel.

Very nice new format!!!!

**Milano, Italy**

The new design is marvelous.

It is much easier for me as I organize prior to performing the translations.

For so many these grace filled lessons are their only venue for light.

**Beijing, China**

My friendly spirits did not want me to know about the wheels of the cherubs.

{“Ezekiel – the Pantomime Prophet” series}

3. The Ultimate Light Show revealed in Ezekiel’s Vision --  
Living Beings, Wheels, the Firmament, & the Throne

*Why God never leaves a Believer’s Side*

4. Holy Spirit empowers Believers to stand, to hear, & to walk with God

*Events on Earth orchestrated by Spinning Wheels in Heaven*

Similarly they attempted to prevent me listening to the explanation of the demonic activities performed by religious people.

{“Ezekiel – the Pantomime Prophet” series}

6. God Exercises His Strange Work in Jerusalem

**DEMONISM RAMPANT TODAY IN  
POLITICAL, DIPLOMATIC & PROTESTANT CIRCLES**

Holy Spirit overruled and graciously allowed me to hear and to understand.

Holy Spirit also awakened me to hear the truth of Jesus

as my savior and defender forever.

The spirits have now retreated from me

Praise to God of heaven and earth

Lagos, Nigeria

*“Letters from Listeners” continues on the next page ...*

The new design is marvelous!

The new format drew my attention to the “History of the World” series –  
an absolute masterpiece

These are the only religious studies which have my interest

**London, England**

I was so ecstatic to see that you posted the new Bible origin and transmission lesson.

{“The Bible – Origin & Transmission” #5}

I use these frequently with academicians and they always are met enthusiastically.

The new page design is magnificent

**Munich, Germany**

The messages which concern the cherubs and the wheels in the prophet Ezekiel

opened the vista of heaven to me.

{“Ezekiel – the Pantomime Prophet” #3 & #4}

Before this understanding **I HAD BEEN DECEIVED INTO THE ILLUSION**

that I had been engaged with the wheels of heaven, whereas, in actuality,

**I WAS TIED INTO THE PIT OF THE DARKNESS OF HELL.**

Thank you friends,

And, of paramount importance,

thank you Jesus!

**Calabar, Nigeria**

Thank you for posting the additional Bible origin and transmission message.

{“The Bible – Origin & Transmission” #5}

These are a God sent blessing which I use with University college people.

I hope you will post what appears to be another.

**Mannheim, Germany**

I am so happy and thankful for the website, with the easy and free access

to the messages based on the wonderful truth of the Word of God,

Namely that those of us who at one time accepted Jesus Christ of Nazareth's death on the Cross

as full payment for all our sins (past, present & future) are

at that moment born again - a new creation; sons and daughters of God;

as righteous as Jesus and free of sin (2 Corinthians 5:21).

What's more -- now we can also look with eagerness **(NOT IMPENDING GLOOM OR SHAME)**

for that blessed hope (Titus 2:13; 1Thessalonians 4:16-17)

where we are changed and come up to meet Jesus –

**NOT TO BE CHASTISED, SCOLDED OR JUDGED,**

but in complete acceptance with full affection.

**Winnipeg, MB, Canada**

Marvel all marvels for

my living to know personally Jesus

**Beijing, China**

Your lessons brought me to Jesus Christ some years past.

The area is replete with churches, vicars and religious activities.

In the midst of all that I had never heard the Gospel.

The new site design has made it much easier to print and distribute.

I am delighted that so many have the same favorable response that I had.

Cheers and God's continued blessing upon you for this marvelous teaching

**Ipswich, England**

Superb "Bible origin and transmission" series.

Provides a thorough understanding of the manuscript issues --

presented in a story form which is captivating.

Scholars take it seriously and laypeople gain a thorough understanding.

These studies are the most effective vehicle for engaging the Bible that I have seen.

**Vienna, Austria**

I love the lessons from my prof from years ago.

I sensed he was a Christian even then.

The new {home} page design is perfect.

Dieu vous bénisse

**Rio de Janeiro**

It is so a delight to encounter the presentation of the Bible origin and manuscript messages.

{“The Bible – Origin & Transmission”}

I and many others are greatly encouraged to see the legacy of

Westcott, Hort, Nestle, Aland and Metzger continue on.

The speaker undoubtedly had connections with some of the committee members.

The simple Gospel message is included in every study and is bearing fruit.

**Milano, Italy**

“Bible origin and transmission” messages:

such a breakthrough for scholasticism and Biblical understanding.

Precisely what has been needed in this **DEAD AND DARK CULTURE**

**Zurich, Switzerland**

The Ezekiel messages {“Ezekiel – the Pantomime Prophet” #2 - #6}

are delivered with supernatural power

which broke through the **DARK SPIRITS** within me,

violently forced them out irrevocably

& drew me to Jesus my Savior.

Unlimited praise be to Him.

**MAY THE WHEELS TURN !**

**Yamoussoukro, Cote d' Ivoire**

“The Bible -- origin and transmission” series of messages is a masterpiece.

In addition to the scholarly insight it is an effective vehicle for the Gospel –  
which is desperately lacking.

The lesson #5 is extremely valuable. Thank you for posting.

Anticipating #6 as well.

The long reviews are essential given the complications of the material.

**Munich, Germany**

“The Bible -- origin and transmission” studies are a veritable goldmine  
for information which had been lost.

It was a good decision to post study # 5.

**Moskva (Moscow), Russia**

Oh my.

My “pleasant” spirits, unbeknownst to me, were leading me into the hell pit.

The Ezekiel message rescued me and gave me to Jesus!

{“Ezekiel – the Pantomime Prophet” #2 - #6}

**Monrovia, Liberia**

The superb Bible manuscript studies overwhelmed me.

“The Bible -- Origin and Transmission”

These gems led me to the more religious lessons which are frankly most intriguing.

**Lisboa (Lisbon), Portugal**

“The Bible origin and transmission” series of messages has conveyed extremely valuable information which otherwise would have remained hidden.

The studies are as well a very attractive entree into the Bible itself.

**Madrid, Spain**

These studies of the book Ezekiel gave me understanding as to  
the inner workings of heaven

and delivered me safely into Jesus who died in my place.

{Ezekiel – the Pantomime Prophet # 1-6}

**Lagos, Nigeria**

“Acts -- God uses only Defective People”

Each every lesson is better

For certain to explain people and good God

“The Bible origin & transmission” series of studies:

Such a triumphal moment in Bible scholarship!

Every lesson is captivating and spiritually stimulating.

I have shared with my colleagues, of whom all without fail are favorably inclined.

**Rotterdam, The Netherlands**

”The Bible origin and transmission” messages have been the most powerful  
spiritual breakthrough for the intellectual community since the 1940's.

The addition of lesson 6 astonished me.

It is the best of all

**Bonn, Germany**

“The Bible origin & transmission” presentation is by all counts  
a masterpiece of erudition and spiritual insight.

The "newest" - number 6 - may be the best of all.

**Munich, Germany**

“History of the World - Past, Present, Future”

Such fascination, so I hear some of “The Life of Jesus: Listening, not Obeying”

Yes -- to know of Him

**Shenyang, China**

Most remarkable studies of the Bible manuscripts and editions.

Interesting religious perspectives which actually seem reasonable.

I am looking forward to continuing with more of the studies

**Stavanger, Norway**

“The Bible origin and transmission” has been a blessing beyond what words can express.

So many who had no interest in the Bible are now relishing all of the Bible studies.

You evidently saved the best for last

{“The Bible – Origin & Transmission” #5 & #6}

**Berlin, Germany**
