A Sheep recounts his Day with his Shepherd

**Psalm 23: *The Lord shepherds me.
He never fails me.***

Marvelous, beautiful story of the little sheep.

I want the good shepherd.

Now I know who He is.

How astonishment for me.

First time to try YouTube

Really deeply meaning for me as I first learn of Jesus.

I continue to listen.

The beautiful story of the little sheep and the good shepherd

is astonishing in its simplicity, beauty and power.

I have listened three times (so far!).

By the second listening I trusted in the good shepherd as my savior!

Families restored & Believers’ Identities established

The lesson on the Kingdom is wonderful beyond my ability to express.

I found peace and joy in knowing that my family will be restored in the Kingdom.

The message on the coming Kingdom is thrilling!

One of the best evangelical tools I have ever discovered.

Is this the only ministry that gives the Gospel?

I literally know of no other.

Winston-Salem, North Carolina

The kingdom message was reassuring for several reasons –

I can hardly wait for a world where families are together

and no more corrupt governments.

I trusted in Jesus as my savior years ago as a result of hearing

the clear and simple Gospel.

London, England

The Kingdom seems to be very exciting.

Clearly there is good future ahead!

I am listening more to be certain that my family and I will be in that Kingdom.

“The 1000 Year Kingdom”

Part 2

Marriages, Families, & Vocations

Praise God in the heavens above who used the Kingdom messages

to deliver me from the evil empire into His Kingdom.

I anticipate with joy the Kingdom which is to come.

Nairobi

The wonderful messages on the Kingdom led me to the website
where I discovered a gold mine of excellent Bible teaching.

I believe that all Bible teaching should be like this.

Go through the text,

explain what it is says

then make application -- and give the Gospel.

And yet I have found it only here.

In fact this is the only place I've heard the gospel in years.

The handouts prepared by Connie Tatum

are extremely helpful and well formatted.

Toronto, Ontario, Canada

The 2 Kingdom messages are so wonderful.

I share with everyone.

Zurich, Switzerland

Teaching of Kingdom

thrill my spirit

and make me alive.

The brilliant expositions of the coming Kingdom represent

golden opportunities for evangelism in that

they present a real Golden Age about to descend upon this earth

and how to enter the Kingdom by simply trusting in Jesus as savior.

Aberdeen, Scotland

The 3 Kingdom messages are exciting and powerful.

I am sending to my media contacts in the area!

Thank you for the gospel presentation which is simple and accurate.

Baltimore, Maryland

Thank you for writing and for proactively sharing the studies with the media in your sphere of influence.

It helped to explain the high amount of activity on our website the last three days in the northern Virginia, Maryland, and D.C. area.

Who knows? Maybe people in position of power and influence will be enlightened with the myriads of truths found in the Bible in regards to God's plan for governments.

Praise the Lord for you and the many, many others in our listening audience around the world who possess a passion for disseminating the clear gospel.

May the Lord richly bless each and every one of you!

The powerful Kingdom messages led me to “The Bible -- origin & Transmission” series.

I was ecstatic to find these.

I know who the speaker is.

He is the only person who could have presented these studies.

He is the only surviving member of the committee

which produced the critical text of the New Testament.

Every Christian should listen to these lessons.

It may be difficult at first but the time spent will be well worth it

for anyone who wants to know about the text of the New Testament

and how to know what is in the text and -- what is not.

His knowledge of Greek is impressive and totally accurate.

Thessaloniki, Greece

The incredible Kingdom lessons accomplished something

which heretofore was impossible

I actually changed my mind on just about everything.

I am now beginning to learn more about Jesus.
