March 2020

I was amazed and happy to see the tribute to Black History Month.

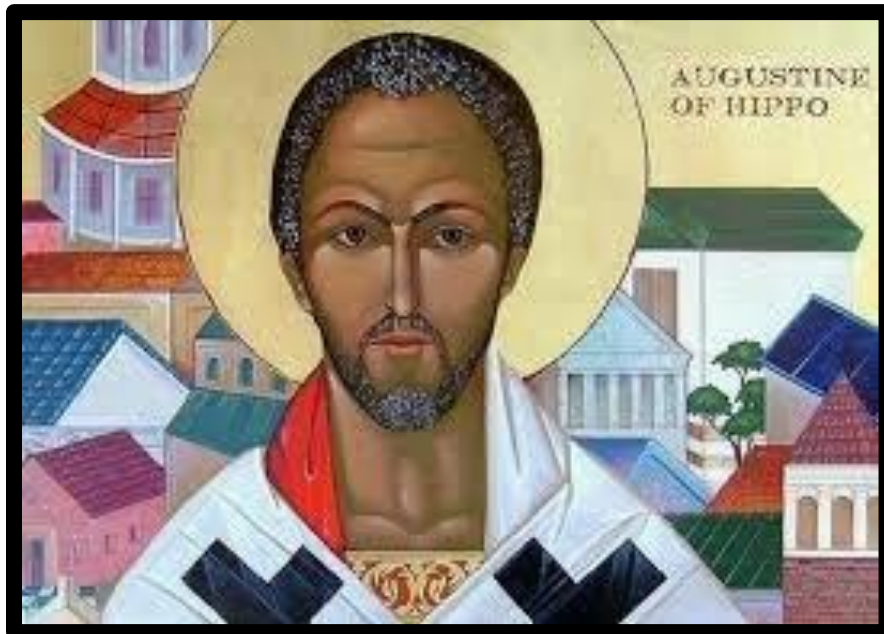

The message on Augustine was very informative

and makes me think again of my relationship to the cross of Jesus.

And the closing music - Boyz II Men -- wonderful!

God's Most Hidden & Most Active Hand

Thank you for the study of Purim.

We are grateful that a Christian teacher would remember us.

Tel Aviv, Israel

The lesson of Purim was fascinating.

I am interested in the connection with the Christian Bible and Yeshua.

Jerusalem, Israel

The message of Purim is greatly appreciated.

The references to the Christian Bible are very interesting.

Tel Aviv, Israel

What a kind gesture to support Israel!

And such a beautiful exposition of the book of Esther
which is dear to us.

I intend to listen to more of this teaching

as I know nothing of Christian Bible.

Jerusalem, Israel

The story of Augustin is a wonderful story

to let us black people know we have a heritage.

I have listened to other studies of black people on this site
and all is encouraging for us.

I will listen to every lesson.

What is your opinion of the verse Revelation 13:1 ?

The KJV {King James Version} states, "I stood" on the sand

vs.

The NASB {New American Standard} states "And the dragon stood" on the sand.

What does the Greek imply? Or how can I find out?

Thank You!

Terri
Tomball, Texas

Hello Terri,

Thank you for writing.

The correct reading is "the dragon stood on the sand of the seashore"

The dragon is, of course, Lucifer (Revelation 12:9 "And the great dragon was thrown down, the serpent of old who is called the devil and Satan")

The sand on the seashore is a picture of the Jews (Genesis 22:17 "indeed I will greatly bless you, and I will greatly multiply your seed as the stars of the heavens and as the sand which is on the seashore")

The sea is a picture of the Gentile world (Rev 17:15 "And he said to me, "The waters which you saw where the harlot sits, are peoples and multitudes and nations and tongues.""

So, to put this together, during the Great Tribulation, Lucifer will deceive Israel into thinking that his representative, Antichrist, is their Messiah. He will turn against them and, temporarily, subjugate them.

So, the image of Lucifer standing on the beach represents his watching the world of the Gentiles to see when God will allow him to possess the Gentile Antichrist.

We are already seeing Lucifer's preparatory work as his demons possess more and more leaders in Europe and America.

Good news -- the Rapture must be near!

Thank you for the wonderful study of Purim.

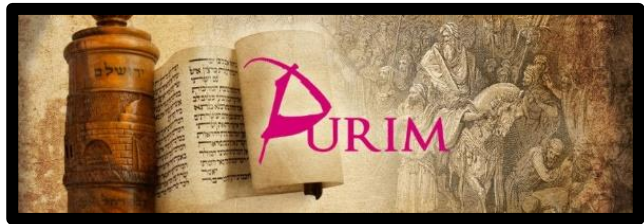

The story is precious to us.

I have heard many messages of Esther,

but never with this clarity.

I look forward to learning more from these lessons.

Esther & The Persian Empire

History of the World #29

I saw the Purim study suggested on YouTube, so I listened.

Although I had no idea what Purim was,

the study absolutely amazed me.

In less than one hour I learned more about the Bible than I had in my entire life.

Because of the focus on Jesus, I continue to listen.

Rouen, France

My friend and I love the lessons.

We listen and discuss them.

We have learned very much.

Bois Colombes, France

I thought the lesson on Purim would not interest me,
but it was suggested by YouTube.

So I listened briefly then stopped.

But I was bothered,

so I listened again in its entirety.

Surprisingly, I discovered Jesus and I will never be the same.

Bulgaria

Very exciting and informative message of Purim.

I learned more than from the Rabbis!

I appreciate the Christian Bible insights.

Tel Aviv, Israel

May God bless you for reaching out to the Jewish people with your study of Purim.

Thank you for emphasizing that although God is invisible,

His hand is upon Israel.

Thank you for the references to Yeshua of whom I am pondering.

Tel Aviv, Israel

Many are deeply touched by your Purim message.

Yes indeed the Lord is in control and He protects us.

The Christian writings are interesting.

History of the World #29

No claustrophobia for me as I rest at the house

and listen to the "Pre-History of the World" lessons.

Amazing -- everything falls well, even perfectly.
