I heard a reference to the Gates of Hades lesson on a radio station as I was driving through New Jersey.

I was frustrated because I could not determine where the station was located.

Once I arrived home on Saturday (Nov 5th) I told my neighbor that I had heard of an interesting message on that subject.

Unbelievably she had just heard of the lesson and website.

We both listened and were astonished.

We feverishly passed it along to friends across the country.

This sermon is going to have an enormous impact.

Thank you. Thank God.

***The following three letters were submitted from listeners
in Bangalore, India since October 2016.***

The Ezekiel podcasts are incredibly intriguing, removing the barriers
which hinder our seeing into the heavens.

I most certainly believe that what the teacher is saying is truth.

The struggle now is recognizing that this truth cannot assimilate with my religion.

I know as factual that many are listening. Please state what you think.

Bangalore, India

The teachings of this man are compelling.

They are not compatible with the Hindu religion

Bangalore, India

This person's teaching rocks me deeply.

It absolutely cannot be reconciled with our religion.

God performs His Strange Work by sending **DECEIVING SPIRITS**

It fits perfectly with the 2 Gates of Hades messages.

It takes courage to deliver these messages!

Just as I did with the 2 Gates of Hades lessons I am sending this all over.

I encourage everyone to do the same.

San Diego, California

Wonderful news.

We have discovered someone to provide French translations of
the 2 Gates of Hades messages. {Difficult Passages of Bible - #17 & #18}

Even better - he knows Pr. Tatum!

He is a professor of French language and literature.

He told us that Pr Tatum could throw a baseball at 95 miles per hour and never lost.

Also he appreciates Pr. Tatum and his sense of humor.

Fascinating

Also this was amusing. He said that Pr Tatum could speak French better than he.

We chuckled until he told us he was serious.

This will be interesting. Very good news
